LB 534, 152, 331, 395, 492,
514, 546, 547, 565A, 581, 584

respectfully reports that she has on this day at 1:30 p.m. presented to the Governor for his approval the following bills: LB 492, 547, 584, 581, 331, 395 and 546.

Senator DeCamp would like to print amendments to LB 152, Mr. President.

SENATOR NICHOL: Senator DeCamp, did you wish to withdraw some amendment?

SENATOR DeCAMP: 10-4.

SENATOR NICHOL: On which...?

SENATOR DeCAMP: 514, Senator Hefner's bill and then he can get it advanced.

SENATOR NICHOL: Are there any objections? If not, they are withdrawn.

CLERK: 514, Senator, there are no E & R amendments.

SENATOR WESELY: I move that LB 514 be advanced to E & R for engrossment.

SENATOR NICHOL: All those in favor of advancing LB 514 to E & R engrossing please signify by saying aye, opposed nay. It is advanced. Senator Chambers, did you wish to be recognized?

SENATOR CHAMBERS: Mr. Chairman, there is a bill on here, 565A, which I thought we had adopted an amendment to on General File relative to reducing the A bill amount but apparently that was not adopted and that amendment is on the bill now so if these others will take a long time, then perhaps we could do that and reduce that A bill because as long as it stands in the form it is now it is not reflecting the condition of the bill. I thought we had changed it on General but apparently we did not.

SENATOR NICHOL: Did you want to make such a motion, Senator Chambers?

SENATOR CHAMBERS: If I may. I would like to take LB 565 and there may be E and R amendments before we get to this.

CLERK: Senator, may I inquire, we want to move the bill itself and then deal with the A bill and deal with your amendment, is that.....both bills? Okay.
